Pi'ilani extends a warm aloha to the members of the Mainland Council Association of Hawaiian Civic Clubs, club presidents, Office of Hawaiian Affairs and guests.

During this past quarter we managed to take care of business amid the rush of the holidays.

Elections were held for all officer positions as well as a few director positions being vacated. The current board is comprised of the following:

Officers:

Pelekikena - Lynette Asperin
Hope Pelekikena 'Ekahi - Cynthia Kahakui
Hope Pelekikena 'Elua - Lisa Kelekolio
Kakau 'olelo - Puahau Aki
Pu'uku - Justin Kulesza

Directors:

Esmond Ah Leong
Heidi Bath
Jeff Kopina
Nahua Maunakea
Lynette Rogers
Merv Tano

We held our annual Christmas gathering which had good food, music and several new members. It was a wonderful evening.

This month we held a general meeting/installation luncheon. Certificates of Recognition were handed out to members for participation in events or during the year that without them, would not have happened nor been a success.

We are working hard on our first Ho'olaule'a to be held June 18th in Highlands Ranch. If you are in the neighborhood stop on by. It will be a great opportunity to show the State of Colorado our culture and spread aloha.

Malama,
Lynette Asperin
